4	Larry James Washington,	2:17-cv-01589-JAD-NJK
5	Petitioner	Order Extending Time
6	V.	[ECF No. 17]
7	Jo Gentry, et al.,	
8	Respondents	
9		
10	In this habeas corpus action, pro se petitioner Larry James Washington had 60 days to	
11	respond to respondents' motion to dismiss, making December 29, 2017, the deadline. On	
12	December 22, 2017, however, Washington moved for an extension of time requesting an	
13	additional 30–45 days to respond. ² He explains that he was recently transferred to a prison in	
14	Arizona, and that has hindered his ability to meet the original deadline.	
15	This is Washington's first request for a time extension, and I find that he has done so in	
16	good faith and not solely for the purpose of delay. I thus find that there is good cause to grant	
17	Mr. Washington's request.	
18	Accordingly, IT IS HEREBY ORDERED that Washington's motion for an extension of	
19	time [ECF No. 17] is GRANTED. Washington has until February 16, 2018, to respond to the	
20	motion to dismiss, and respondents will have 30 days from the date of service of Washington's	
21	response to reply.	
22	DATED: December 29, 2017.	XXXX.
